

Resource Parent Recertification

Parent education for foster & adoptive families offered by
Mississippi State University Extension Service
Family & Consumer Science

Webinars 1-3 pm (2.0 hrs)
November 18: Transitions in Parenting: Issues in Co-parenting and responsibilities
February 28: Parenting teens: communication, discipline, and sexually active teens (recorded)
* pre-registration is required

Procedures for Webinars: Register by emailing: msparentwebinars@gmail.com. Give your name(s), date, and title of the training you want to attend. A link to the webinar will be emailed to you. Use this link to join the webinar on the date and time you registered for. Following the webinar, you will be given directions on how to submit your post-test questions. These are required to receive your certificate of attendance (emailed).
