Retirement Announced Today for MDHS Executive Director

I am officially announcing my retirement as the Executive Director of the Mississippi Department of Human Services effective January 31, 2016. My work life of thirty four years with the State of Mississippi, especially the twenty five years spent at MDHS have been totally rewarding and fulfilling. I have been blessed beyond my wildest dreams.

I have been honored beyond words to have served the citizens of Mississippi as your Executive Director. I have also been honored to serve Governor Phil Bryant and his administration. The confidence that he placed in me by allowing me to serve is humbling and gratifying. I feel very strongly that the agency has come a long way in the past four years.
